Distribution of a dividend of €1.00 per common share carrying dividend rights:	€140,974,350.00

The deduction of withholding tax on dividend payments and of a solidarity surcharge will not apply to **resident shareholders** who have submitted a non-assessment certificate from their respective tax authorities to their custodian banks. The same applies in whole or in part to shareholders who have provided their custodian banks with a declaration for exemption from withholding tax as long as the exemption amount specified in the declaration has not been used up by other investment income.

Non-resident shareholders may benefit from a reduction in the withholding tax retained and solidarity surcharge in accordance with double taxation conventions in force between the Federal Republic of Germany and the country concerned. Applications for refunds of this reduction amount must be received by the Bundeszentralamt für Steuern (Germany's Central Tax Office in 53221 Bonn) by December 31, 2017, at the latest.
